Por Luana Rodrigues - 2020

A series of seven line drawings of hands, each showing a different way to represent a number from 1 to 7. The first hand shows the thumb up (1), the second shows the index finger up (2), the third shows the index and middle fingers up (3), the fourth shows the index, middle, and ring fingers up (4), the fifth shows the index, middle, and ring fingers up with the thumb tucked (5), the sixth shows the index and middle fingers up (6), and the seventh shows the index finger up (7).
