Hi! My name is Gege Grant. I am thirteen years old and I am from U.S.A. I have 2 brothers and a baby sister. My mother is a teacher and my father is a doctor. They are German.

I love to go to school! My favorite subject is History. It is very interesting! I like art, too! I love to paint pictures. My favorite color is blue.

On weekends, I go to the playground. I like to jump the rope but I don't like to ride my bike.
