A world of restaurants

Traveling is a lot fun. You can meet new people, and you can try new food!In Western countries,there are many kinds of restaurants.

Steak[2] Houses

Steak houses are usually expensive. They serve steaks, but they often have seafood, too. People go to steak houses on special days, such as birthdays and anniversaries.

Diners

Diners are very popular in the United States. They aren't expensive, and people go there for breakfast, lunch, and dinner. They usually serve only one kind of coffee. However, the **waitress**[3] will fill your cup as many times as you like.

Fast-Food Restaurants

In Western countries, fast-food restaurants are **everywhere.**[4] And they sell more than just hamburgers and French fries. They sell fish and **chips**,[5] Mexican food, hot dogs, Japanese food, and even Chinese food.
