LET'S ENJOY THE STORY!

He sings all day long!

She works all the long!

Why are you carrying all this food?

I'm storing for winter!

Come on! Let's sing and have some fun!

I need to store food for
the long winter!

Oh no!
He should work too!

I'm ready for the winter!

It's cold and I'm hungry!
Please, help me!

Oh no! You only sing
and play. Go away!

It's very cold outside!
I need to help him!

Oh poor little thing!

Eat some food my friend!

Thank you so much!

I learned an important lesson!

There's time to sing and time to work!

And they lived happily after! THE END.
