

Animal instinct

The Cranberries

Suddenly something has happened to us / me

As I was having my cup of coffee / tea

Suddenly I was feeling depressed

I was utterly and totally stressed / happy

Do you know you made me cry / smile

Do you know you made me cry / die

And the thing that gets to you / me

Is you'll never really see / know

And the thing that freaks me out

Is I'll always be in love / doubt

It is a lovely thing that we share / have

It is a lovely thing that we

It is a lovely thing, the human / animal

The animal instinct

So take my hands and come to / with me

We will change reality / the world

So take my hands and we will pray / dance

They won't take you home / away

They will never make me give up / cry, no

They will never make me cry / die

And the thing that gets to me / you
Is you'll never really see / know
And the thing that freaks me out
Is I'll always be in love / doubt

The animal, the animal, the animal instinct in me
It's the animal, the animal, the animal instinct in me...
