Subject: Summer job

Hi Paul!

I want to get a summer job but I can't decide between being a waiter at Villa Italia in the evenings, a builder or a summer camp leader. Help me choose!

Subject: RE: Summer job

Hi Jay!

I think it's a great idea for you to get a job for the summer. The job at Villa Italia sounds good. It is the **1)** restaurant in town, so working there might be **2)** than being a builder or a camp leader. You also have to be **3)** dressed, so you might need to buy some new clothes.

The building job is probably **4)** for you because you like being outside. But it is **5)** job of the three and probably pays the **6)** money.

The summer camp leader has **7)** hours of all, so it's a **8)** tiring job, but it's also fun. It looks **9)** good on your CV, too, because you need to be responsible, energetic and patient. You get **10)** any time off, but you do get **11)** money than a waiter or a builder, so I think this is the **12)** job for you.

Let me know what you decide!

Paul
