

Complete the blank spaces using a word from the box. There is one example in number 1.

slice – add – squeeze – **buy** – add – cut – chop – mix

## HOW TO MAKE CEVICHE

Ceviche is a tasty Peruvian typical dish that is well known around the world. You can serve it with some corn and boiled sweet potatoes. Also, you can use some lettuce and cilantro to decorate it. If you want to prepare this appetizing dish you have to follow this steps:

1. You must buy some fresh fish, lemons, onions, and some cilantro.
2. To start the preparation, you have to \_\_\_\_\_ the fish into small chunks and you must not cook it or fry it.
3. You must not \_\_\_\_\_ the onions but you have to \_\_\_\_\_ them finely and wash in cold water.
4. You have to \_\_\_\_\_ some lemons to get the juice.
5. Put all the ingredients in a bowl. You must \_\_\_\_\_ salt and chopped cilantro, pour the juice and then \_\_\_\_\_ everything. Sprinkle some cilantro on top.
6. If you want a spicy ceviche, you must chop and \_\_\_\_\_ some chili pepper.
