Ms.Dion Kuswoyo
Komang Enterprise Rent-a -car
P.O Box 223
Jakarta 2869689

Dear Ms. Kuswoyo:

I would like to join the Enterprise Rent-a-Car team as an Entry-level Management Trainee. After reviewing the job description on the jobs and the Enterprise website, I know this position is an excellent match for my interest in sales and management. I was also excited to learn more about the core values at Enterprise such as service, hard work, community, and fun as these fit with my own work values. I am a senior majoring in Society, Ethics and Human Behavior at the University of Semarang, and look forward to applying my strong communication and leadership skills in a management training program. Last year as a Resident Assistant, I worked on a team of 8 members to foster the academic, social, and cultural programming in the

residence hall. We also work together to help students adjust to college and to provide an enriching residential atmosphere. In this role I was responsible for the well-being of 50 first-year students which helped me develop and refine my management skills. It was through this experience that I **became aware of** my passion for leadership and teamwork and where I learned the importance of effective interpersonal communication. I will use these skills as a successful Management Trainee at Enterprise. I would like the opportunity to meet with you and discuss my qualifications in greater detail. Thank you in advance for your consideration.

Sincerely,

Ananda Keswara
