

A- READ CAREFULLY

Wanda is my best friend. She's 14 years old and she's from Mexico. It's a wonderful place because it's hot and sunny. It's good weather to go to the beach!

Wanda likes going to the beach with her sister Petunia at the weekend. They always wear sandals and sunglasses. They take sunscreen, too. Sometimes they make sandwiches and eat lunch on the beach. In the afternoon, Wanda likes swimming and playing volleyball, she's always ready to have fun. But Petunia likes sleeping on the beach, she doesn't like sports.

Look, this is an e-mail from Wanda:

"Last Sunday was horrible! It wasn't warm, it was windy and cold. I was at home, all day, cleaning my room. HELP!!!" 😞😞
