

First-Aid Treatments *(cont.)*

Directions: Read the following stories. Decide the course of treatment you would use in each story. Be prepared to discuss your decisions with the class.

Story A

You are playing in the park near your house one day. John and you are throwing the baseball back and forth. John's brother Timmy is walking barefoot in the grass and steps on a sharp object. The foot is cut and is bleeding. What do you do?

Story B

The family is having a picnic in your backyard. The adults are all inside and the children are playing. Your sister is over near a flower bush, and suddenly a bee lands on her arm. She gets scared and tries to shake it off. It stings her. What do you do?

Story C

It is late at night, and you are doing your homework. You hear your brother saying "Ouch," and you go into his room to see what is the matter. He is holding his eye and sitting on his bed. "There's something in my eye," he complains. What do you do?

Story D

It is getting near dinner time and the roast in the oven is almost done. Your sister is playing with her friend. They run into the kitchen, and her friend slides on the floor. She puts out her hand to keep herself from falling, and she puts it right on the door of the hot oven. It really hurts. What do you do?
