

Independent and Dependent Clause

Match Them Up

In this game, students have to match independent clauses with dependent ones to make sentences that make sense.

- The children are watching a movie,
- It was a happy holiday,
- Benjamin struggled with his homework,
- ...Maria took the dog for a walk.
- ...we are having pizza for dinner.

some dependent clauses that could correspond with the independent ones, such as:

- ...while their parents do some work.
- ...but everyone was happy to get back into their routines.
- ...because he missed several days of school.
- While her brother played video games,
- Since I didn't go grocery shopping,
