Choose the correct homophone to complete the song lyrics.

I am unwritten, can't _____ my mind.

I'm undefined.

I'm just beginning, the pen's _____ my hand.

Ending unplanned

Staring at the blank page before you, open up the dirty window

Let the _____ illuminate the words that you cannot _____

Reaching _____ something in the distance

So close you can almost taste it, release _____ inhibitions.

[Chorus]

Feel the _____ on your skin

No _____ else can feel it for you

Only you can let _____ in. No one else, no one else

Can speak the words on your lips

Drench yourself _____ words unspoken

Live your life with arms wide open

Today is _____ your book begins

The rest is still unwritten, yeah

I break tradition
Sometimes my tries, are outside the lines, yeah
We've _____ conditioned to not make mistakes
But I can't live that _____, no, oh

Staring at the blank page before you
Open up the dirty window
Let the _____ illuminate the words that you cannot _____
Reaching _____ something in the distance
So close you can almost taste it, release _____ inhibitions.

[Chorus]

Feel the _____ on your skin
No _____ else can feel it for you
Only you can let _____ in
No one else, no one else
Can speak the words on your lips
Drench yourself _____ words unspoken
Live your life with arms wide open
Today is _____ your book begins

[REPEAT]

The rest is still unwritten, yeah
