Lesson 8 Enrich

Subtract All and Subtract Zero

Subtract Zero

When you subtract zero from a number,
the number does not change.

Subtract All

When you subtract a number from the same number,
the answer is always 0.

**Solve. Then draw a line to connect the subtraction
number sentences with the same numbers.**

$14 - 14 = \underline{\hspace{2cm}}$

$5 - 0 = \underline{\hspace{2cm}}$

$85 - 0 = \underline{\hspace{2cm}}$

$75 - 75 = \underline{\hspace{2cm}}$

$5 - 5 = \underline{\hspace{2cm}}$

$14 - 0 = \underline{\hspace{2cm}}$

$75 - 0 = \underline{\hspace{2cm}}$

$85 - 85 = \underline{\hspace{2cm}}$

$88 - 88 = \underline{\hspace{2cm}}$

$88 - 0 = \underline{\hspace{2cm}}$
