Colegio Pequeños Bilingües

Third Term

Teacher: Qco. Mayerly Andrea Angulo Rivera

Grade: TERCERO PRIMARY

Topic: ANIMAL AND PLANT CELL

POP QUIZ

Date

THURSDAY

SEPTEMBER

10TH

2020

EJE1 STRAND 1 BIOLOGY

1. The student is able to identify the functions and parts of the animal and plant cell identifying the functions of the organelles.

1. Choose the correct answer.

- Which of the following structure can be found in a plant cell but NOT an animal cell?

- a) Vacuole
- b) Nucleus
- c) Chloroplast
- d) Mitochondria

- Which of the following does a bacterial cell NOT have in common with a plant cell?

- a) Cytoplasm
- b) cell membrane
- c) genetic material (DNA)
- d) nucleus

- what's the difference between prokaryotes vs. eukaryotes?

- a) Prokaryotes have nucleus
- b) Eukaryotes do not have a nucleus
- c) Prokaryotes have a cell wall
- d) Eukaryotes do have a nucleus

2. Match the description with a term from the word bank

_____ 1. organelle that releases energy for the cell.

The **powerhouse** of the cell.

_____ 2. structure that forms a boundary of cell. Allows things to enter or leave the cell.

_____ 3. gel-like material inside the cell membrane

_____ 4. stacks of sacs that package and transports proteins.

The **highway** of a cell.

_____ 5. where proteins are made

_____ 6. a folded membrane that moves material in cells.

The **UPS** of a cell.

_____ 7. structure that directs the cell's activities

WORD BANK

- a. cell membrane
- b. cytoplasm
- c. endoplasmic reticulum
- d. Golgi bodies
- e. Mitochondria
- f. Nucleus
- g. Ribosome

3. Select **TRUE** or **FALSE** in the following statements

- Animal cell is large and has a fixed rectangular shape. **TRUE** or **FALSE**
- Plant cell has cell wall. **TRUE** or **FALSE**
- Animal and plant cell have nucleus. **TRUE** or **FALSE**
- Animal cell has a large vacuole. **TRUE** or **FALSE**
- Only animal cell has chloroplast. **TRUE** or **FALSE**

4. Select which of the following cell structure is an Prokaryote

5. Select the organism that is pluricellular
