

Like or don't like? Click to listen and put the fruits and vegetables in the correct bubble speech.

(Has click para escuchar y coloca las frutas y verduras en el cuadro de diálogo correcto. Hay un ejemplo)

Example:

The example shows a boy with two speech bubbles. The left bubble is red and contains a banana, with a sad face emoji and the text "I don't like bananas". The right bubble is purple and contains a pepper, with a happy face emoji and the text "I like pepper". Above the boy, a horizontal bar contains five items: a pea pod, a red apple, a bunch of bananas, lemons, and a pepper. Dotted lines connect the banana from the bar to the left bubble and the pepper from the bar to the right bubble.
