

Like or don't like? Click to listen and put the fruits and vegetables in the correct bubble speech.

(Has click para escuchar y coloca las frutas y verduras en el cuadro de diálogo correcto. Hay un ejemplo)

Example:

The example shows a boy with two speech bubbles. The first bubble, which is red, contains a banana and is connected to the banana in the top bar. It includes a sad face emoji and a speaker icon with the text "I don't like bananas". The second bubble, which is purple, contains a red pepper and is connected to the pepper in the top bar. It includes a happy face emoji and a speaker icon with the text "I like pepper".
