

HOW FAR I'LL GO

I've been staring at the edge of the _____
'Long as I can _____, never really knowing _____
I wish I could be the perfect _____

But I come back to the _____, no matter how hard I try
Every turn I take, every trail I track
Every path I make, every road leads _____
To the place I know, where I can not go, where I long _____
See the line where the _____ meets the sea? It calls me
And no one knows, how far it goes

If the wind in my _____ on the sea stays _____ me
One day I'll know, if I go there's just no telling how far I'll _____
I know everybody on this _____,
seems so happy on this island
Everything is by design

I know everybody on this island has a role on this island
So maybe I can roll with _____
I can lead with pride, I can make us _____
I'll be satisfied if I play along
But the voice inside sings a different song
What is _____ with me?

See the light as it shines on the
_____? It's blinding
But no one knows, how deep it _____
And it seems like it's calling out to me, so come _____ me
And let me know, what's beyond that line, will I cross that _____?
