Past Continuous

Let´s revise the rule

Positive & Negative

- The **past continuous** tells about **actions happening at a specific time in the past**. It uses the form ***was/were*** + **verb *-ing***.

She **was eating lunch** at the time.

Positive			Negative		
He They	was were	running fast.	He They	wasn't weren't	running fast.

What was happening at four o'clock yesterday? Complete the sentences using was or were + verb-ing
