

### Let's revise the rule

## Positive & Negative

- The **past continuous** tells about actions happening at a specific time in the past. It uses the form **was/were + verb -ing**.

**She was eating lunch** at the time.

Positive			Negative		
He They	was were	running fast.	He They	wasn't weren't	running fast.

What was happening at four o'clock yesterday? Complete the sentences using was or were + verb-ing

1. **take** Lucy was taking her dog to the vet.
2. **look** We around a shoe store.
3. **play** Sam and his friends on the beach.
4. **run** My cat away from a dog.
5. **cross** The bus the bridge.
6. **buy** My parents tickets for the cinema.
7. **watch** I a horror movie with my brother.
