

## Comparatives song. Filling the gaps

You want the same girl as me  
You think you're \_\_\_\_\_ me.  
But it's easy to see.  
She loves me.

You've got more money \_\_\_\_\_ me.  
You're \_\_\_\_\_ looking than me.  
But it's easy to see.  
She loves me.

I love her  
And she loves me.  
I'm \_\_\_\_\_ the birds in the trees.  
You've got money  
But can't you see?  
You can't take her love from me.

Your work is \_\_\_\_\_ mine.  
Your marks are \_\_\_\_\_ than mine.  
But it's easy to see.  
She loves me.

Your \_\_\_\_\_ than me.  
But not as happy as me.  
But it's easy to see  
She loves me.

I love her  
And she loves me.  
I'm \_\_\_\_\_ the birds in the trees.  
You've got money  
But can't you see?  
You can't take her love from me.
