

SPELLING PRACTICE

Alpha, Bravo, Charlie: each letter of the alphabet has a target word to increase understandability in spelling. Learn the target words in the NATO phonetic alphabet to make spelling out names, address, confirmation numbers, and more much easier! (7mn)

Write the 26 words below if you want to remember them!

Listening practice:

In this video we go through vocabulary for email addresses and do some IELTS listening practice. I read 10 email addresses which you can check at the end of the video. Spelling is vital for all parts of the IELTS exam, but the trickiest part is in Part 1 when the person in the recording normally spells something.
