The story teller

Read and complete.

In Shakespeare's time, women couldn't appear on stage, so there were only male ⁽¹⁾ actors. When men played women in the theatre, they wore women's ⁽²⁾ clothes. Sometimes they also wore a ⁽³⁾ hat on their heads. When they played men, they didn't wear trousers, they wore ⁽⁴⁾ stocks. They sometimes wore ⁽⁵⁾ veils to cover their faces. There were no lights in the theatre, so they used lots of ⁽⁶⁾ candles and a musician played the ⁽⁷⁾ drum. The ⁽⁸⁾ audience didn't have seats like today, they had to stand.
