

## Before, After and Between

Sammy the squirrel's favourite game  
Is chasing butterflies for fun,  
But he also needs to store his food,  
When the day is done!

So help him to fill in numbers: 'B' for before, 'A' for after, and 'T' for between,  
And soon we will have a nut pile to set a happy scene!

100, 101, 102  
Before

100, 101, 102  
Between

100, 101, 102  
After

117, 118, 119
