

A Thousand Miles - Vanessa Carlton

_____ my way downtown
Walking fast, faces pass and I'm _____
_____ blankly ahead
Just making my way
_____ a way through the crowd
And I need you
And I miss you
And now I _____
If I could fall into the sky
Do you think time would pass me by?
Cause you know I'd walk a thousand miles
If I could just see you tonight
It's always times like these
When I think of you
And _____ if you ever think of me

Cause everything's so wrong and I don't _____

Living in your precious memory

Cause I need you

And I miss you

And now I _____

If I could fall into the sky

Do you think time _____ pass me by?

Cause you know I'd walk a thousand miles

If I could just see you tonight

And I, I don't wanna let you know

I, I drown in your memory

I, I don't wanna let this go

I, I don't

Making my way downtown

Walking fast, faces pass and I'm homebound

Staring _____ ahead, just making my way

Making a way through the crowd

And I still need you

And I still miss you

And now I wonder

If I _____ fall into the sky

Do you think time _____ pass me by?

Cause you know I'd _____ a thousand miles

If I could just see you, oh, oh

If I could fall into the sky

Do you think time would pass me by?

Cause you know I'd walk a thousand miles

If I could just see you

If I could just _____ you tonight
