Reading and Comprehension

Hi! My name's Simon. I'm sixteen and I live in Dublin, Ireland. I am Irish. My family isn't very big. I've got two brothers. I live with them and my father and mother. I haven't got a sister but I would like to have one.

I live in Dublin, the capital of the Republic of Ireland. I like my hometown because there are a lot of young people living here. We can do lots of things here like going to the cinema, to the theatre or to the park and there are also good gyms. Dublin is a small city, so everyone is nice. The thing I don't like about Dublin is the weather. I don't like the rain and the cloudy days. In winter I wear my boots, sweater, scarf and coat but in summer I wear shorts, t-shirt, cap and sandals.

In my free time, I swim, cycle, go out with my friends, listen to music and watch film. I like comedy and adventure films but I hate scary films.

Last summer we went to London to visit my father's best friend. We went to the beach, there I made a sandcastle and I swam into the sea.

One night we went to a camp, I really enjoyed it because I ate marshmallow, drank hot chocolate and slept in a tent.

Now, my mom is doing the washing up and my father is cutting the grass. I am writing and listening music.
