1) READING:

My name is Annie and this is what I normally do. I love walking on the mountains. During the week I wake up early and go for a small walk on the mountains. I usually go with my father or my brother. We like to get some fresh air before we start our day. We live in the country far away from the city. We think that our country life is wonderful because we are away from the noise and pollution of the city. We often walk for about half an hour and then return to our home. I always take my bus after our walk at about 8:30 a.m. and I arrive at school at 9:00 a.m. My father takes his car and goes to the town to work. He works at a veterinary clinic. At the zoo

I think that zoos are doing the right thing in conserving the animals. Even though some people say that animals should be free, I believe that the zoo is doing the right thing in keeping the animals in a safe, but slightly smaller environment. People can learn about animals at the zoo. It would be impossible to see real tigers if there weren't any at the zoo.
NOW WRITE YOUR PERSONAL OPINION ABOUT ZOOS.
