Subject: Greetings from Veracruz

Dear Alberto,

I want to tell you I'm having a great time in Veracruz with my family. We stayed at the Sunset Hotel. On Friday we went to San Juan de Ulua and had dinner at the Parroquia. On Saturday we visited the beach and swam all day. In afternoon we watched a beautiful sunset and ate delicious sea food. On Sunday we visited the aquarium, it was very interesting. I bought some souvenirs for you. Also I took many photos that I will show you when we come back to Mexico City.

Regards,  
Sandy
