My friends say I have weird tastes. First, I listen to black metal all the time (Cradle of Filth, Gorgoroth, Nattramn, Dark Lunacy) but they say it is _____ scary for them. The other day we went to Wendy's and I asked for extra pickles, they looked at me weird because they say pickles are _____ bitter, but in my opinion, hamburgers are not good _____ without "strong" flavors. Ouh! and also, I remember the day when I was the only one in the group who got an excellent grade in mathematics, my friends said the exam was _____ difficult, but I guess they just didn't study _____, besides, I enjoy math. Finally, all my friends stay up at night playing Fortnite, they say it's a great game, they are addicted to it, but in my opinion it's _____ childish since we're 14 already, we should sleep _____, we've got many things to do during the day.
