LIVEWORKSHEETS

Now listen to the following short clips and, for each one, name the instrument that you hear and the instrumental technique. For the technique, choose from:

ARCO PIZZICATO CON SORDINO GLISSANDO

1. Name of instrument: Technique:

2. Name of instrument: Technique:

3. Name of instrument: Technique:

4. Name of instrument: Technique:

5. Name of instrument: Technique:

Now listen to *'Hoe Down'* by Aaron Copland. A *hoe down* is a dance competition danced by cowgirls and cowboys and is often described as noisy and riotous.

Comment on any instruments that you hear and any other musical features you notice. They write a brief description as to how the music conveys the mood and character of the hoe-down.

Melody (think pitch, stepwise/ leaping)	**Melody/ Rhythm/Tempo** (think speed, beats in the bar, note values, rests)	**Instruments** (including any techniques)	**Dynamics** (think loud, quiet, changes in volume)
How does the music create the mood of the Hoe-Down?
