Hello, friends! This is what my family and I do on a day during the quarantine.

In the morning, my brother and my sister have virtual lessons. Bart is not happy about it but if he doesn't study, my mother feels angry. Then, my family and I have lunch together. Sometimes, my mother washes the dishes. If she is tired, Lisa cleans the floor to help her. In the afternoon, Bart plays video games with Lisa. If he loses, he feels nervous.

At night, if my father cooks dinner, my mother feels happy. We usually watch TV all together in the living room. Finally, we go to bed. I love my family!
