Assignment 2

Name and surname: _____

Mark: _____

READING COMPREHENSION

1. Read these tips from students on how to relax.

0 Sophie

I'm learning to play the piano at the moment, and when I need a rest from studying, I just sit down and play something. I'm not very good at it, so my brother usually tells me to stop! But I still enjoy trying!

3 David

I know I need to get enough sleep, so I try not to have any food or drink that will keep me awake. I don't have any lemonade or cola in the evening. And it's really hard, but I try to eat junk food only at the weekends. I can stay in bed a bit longer in the mornings then!

1 Ben

I can sometimes look at the same page in my book and an hour goes by and I haven't learnt anything! So I put my books away, get my bike and go for a ride. We're lucky that we live in the country, so there are a lot of paths to follow.

4 Lisa

You know when your head is just too full of 'stuff'? That's when I go to bed and read. Sometimes I even go to bed at 8 pm! Mum thinks I'm mad because it's completely the opposite with my brother Max – he never wants to go to bed!

2 Clare

I often play my favourite computer game when I want to relax. I love games that can teach me something, like history. I hate the ones with people fighting! I know sometimes I spend too much time in my own little world but at least I feel better after having time for myself.

5 Mark

When I need to relax I just put my headphones on and play my drums. Nobody can hear me so I can play them as loud as I want. It's brilliant and really good exercise. People laugh, but you should try it and see. You'll need a rest after 20 minutes!
