1. Listen and write the correct word.	
3	
2 4	
2. Read the text.	
The family.	
The family is in the house. There are five	people in the family: the
father, mother and the children. One child is a b	oy and the other two are
girls. The father is forty years old and the moth	er is thirty eight years old.
The son is fourteen and the two daughters are e	leven. They are twins. The
girls are small and pretty; the boy is tall and str	ong. The parents are happy.
Join with the correct answer:
