

# **Animal Reproductive Behavior Day 1**

## **Animal Behaviors**

**Drag and Drop**

**help  
songs  
calls**

**survival  
dances  
hinder**

**fancy plumage  
reproduction  
orders**

**What are the variety of methods that  
increase the chances of Reproducing.**

-----  
-----  
-----

**The environment can ----- or  
----- an animal's chance of  
----- and  
-----**

## **Environmental Factors**

**Drag and Drop**

**food    increases    water    changing    adapt**

- **Ability to \_\_\_\_\_ to  
changing \_\_\_\_\_**
- **Length of a day \_\_\_\_\_  
favorability.**
- **\_\_\_\_\_ and \_\_\_\_\_  
availability**

## **Post-Fertilization Care**

**What are some ways that help with  
the survival of offspring?**

**Drag and Drop**

**longer    larvae    camouflage    young**

**taste**  
**eggs**

**inedible**  
**fewer**

**predators**  
**survive**

**stay**

**The number of \_\_\_\_\_ or  
young produced guarantees some  
will \_\_\_\_\_**

**Mammals who \_\_\_\_\_ with the  
\_\_\_\_\_ for a \_\_\_\_\_ time have  
\_\_\_\_\_ offspring.**

**Some \_\_\_\_\_ or eggs \_\_\_\_\_  
bad or are \_\_\_\_\_**

**\_\_\_\_\_, to scare off  
\_\_\_\_\_, mimicry**

## **Parental Care**

### **Drag and Drop**

**mouth**

**born**

**socialization**

**safe**

**Birds nests in “\_\_\_\_\_” location**

**Some fish incubate their eggs in  
their \_\_\_\_\_**

**Newborn mammals \_\_\_\_\_  
suckling**

**Mammals lick their young for  
cleanliness and \_\_\_\_\_**

## **Auditory Courtship Video**

### **“Animal Communication”**

#### **Drag and Drop**

<b>sound</b>	<b>dancing</b>	<b>communication</b>
<b>pheromones</b>	<b>sound</b>	<b>pheromones</b>
<b>messages</b>	<b>movement</b>	<b>pollinators</b>
<b>sounds and signals</b>		<b>pheromones</b>
<b>warnings</b>	<b>pheromones</b>	

**Behavior that affects one animal is the \_\_\_\_\_ that affects another.**

**There are three types of communication:**

- 1.**
- 2.**
- 3.**

**Communication implies**

**----- or -----**

**Plants attract -----**

**through -----**

**Some species use -----**

**for mating.**

**Bees communicate in three ways:**

**(Waggle Dance)**

**1.**

**2.**

**3.**

**Killer whales communicate**

**through -----**
