

Listening exercise – I will survive by Gloria Gaynor.

1. Before listening to the song, change all these verbs from present to past.

Grow: _____ learn: _____ be: _____ (x2) walk: _____ try: _____ keep: _____ (x2)
Feel: _____ can: _____ take: _____ do: _____ (x3) spend: _____ (x2) have: _____

2. Now, use the verbs in past to fill in the blanks. Listen to the song as many times as necessary.

At first I _____ afraid, I was petrified
_____ thinking I _____ never live without you by my side
But then I _____ so many nights thinking how you _____ me wrong
And I _____ strong
And I _____ how to get along
And so you're back
From outer space
I just _____ in to find you here with that sad look upon your face
I should have changed that stupid lock, I should have made you leave your key
If I'd known for just one second you'd be back to bother me
Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
_____ n't you the one who _____ to hurt me with goodbye?
_____ You think I'd crumble?
_____ You think I'd lay down and die?
Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive

I've got all my life to live, And I've got all my love to give and I'll survive

I will survive, hey, hey

It _____ all the strength I _____ not to fall apart

_____ trying hard to mend the pieces of my broken heart

And I _____ oh-so many nights just feeling sorry for myself, I used to cry

But now I hold my head up high and you see me, Somebody new

I'm not that chained-up little person still in love with you

And so you _____ like dropping in and just expect me to be free

Well, now I'm saving all my lovin' for someone who's loving me

REPEAT CHORUS...
