

## THE KINDNESS PANDEMIC

Fill in the blanks after "transforming" the given Word.

\_\_\_\_\_ is certainly a beautiful personality trait.

(GENEROUS) It makes me \_\_\_\_\_ (HOPE) to see people

who are kind to strangers in the street. It is actually really

\_\_\_\_\_ (STRESS) to see people being mean to others.

There are many ways in which we can show our \_\_\_\_\_ (KIND)

to others. You can make a \_\_\_\_\_ (DONATE) to a charity, be

nice to the people in your \_\_\_\_\_ (NEIGHBOUR) or even

try to be \_\_\_\_\_ (HELP) at home.

If you were \_\_\_\_\_ (HOME) and \_\_\_\_\_ (JOB),

wouldn't you like others to be \_\_\_\_\_ (SYMPATHY) to

you?

So, let's all do something to do away with \_\_\_\_\_ (CRUEL) in the

world! Why don't we forget about our \_\_\_\_\_ (material)

values and DO a GOOD DEED every day!
