

SOMEBODY THAT I USED TO KNOW

1. ORGANIZE THE ORDER

Now and then I think of when we were together

But I'll admit that I was glad it was over

So, when we found that we could not make sense

You can get addicted to a certain kind of sadness

Told myself that you were right for me

But felt so lonely in your company

Like when you said you felt so happy you could die

But that was love and it's an ache I still remember

Like resignation to the end, always the end

Well you said that we would still be friends

2. COMPLETE THE SONG WITH THE NEXT WORDS:

/go/ number / nothing / rough / love /used to know/ something/ used to know

But you didn't have to cut me off
Make out like it never happened and that we were _____
And I don't even need your _____
But you treat me like a stranger and that feels so _____
No, you didn't have to stoop so low
Have your friends collect your records and then change your _____
I guess that I don't need that though
Now you're just somebody that I _____(x3)

Now and then I think of all the times you screwed me over
But had me believing it was always _____ that I'd done
But I don't wanna live that way
Reading into every word you say
You said that you could let it _____
And I wouldn't catch you hung up on somebody that you _____

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

No, you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Somebody (I used to know)
(Somebody) Now you're just somebody that I used to know
Somebody (I used to know)
(Somebody) Now you're just somebody that I used to know
I used to know, that I used to know, I used to know somebody
