1 CD 58 Read and listen to the conversation. Who hasn't got brothers and sisters?

James: Have you got any brothers and sisters?

Tom: No, I haven't. I'm an only child. Have you?

James: Yes, I have. My family is really big. I've got a mum, a dad, and a stepdad. And I've got two sisters and two half-brothers!

Tom: Half-brothers? So ... your mum is their mum ... but their dad is your stepdad?

James: Yes. And what about your family?

Tom: Well, I've got a mum, but I haven't got a dad. But it's OK. I've got an aunt and three uncles, and they're brilliant!

James: And have you got any cousins?

Tom: Yes, I have. I've got fourteen cousins!

James: That's a really big family!
