

Forms of Energy Practice

Use the Forms of **Kinetic Energy (KE)** below to label the type of energy demonstrated in each picture. Remember, kinetic energy is the energy of motion.

Types of Kinetic Energy

Electrical

Sound

Radiant

Thermal

Motion (AKA Kinetic)

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

Use the Forms of **Potential Energy (PE)** below to label the type of energy demonstrated in each picture. Remember, potential energy is stored energy.

Types of Potential Energy

Chemical

Elastic

Gravitational

Nuclear

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____
