

A FEW OR A LITTLE?

Write the food in the correct columns in the table.

Remember!

Countable words can be singular and plural, and we can put a number before the word. For example: **one** apple, **six** tomatoes. We use **A FEW** with countable words.

Uncountable words are only singular. For example: **some** chicken, **some** lettuce. We use **A LITTLE** with uncountable words.

bunches of bananas - burgers - ice cream -
milk - soup - jars of jam - potatoes -
