

Dear Helen,

I            (have) a great time on holiday.

In July my family and I            (be) near Snowdon.

We were            (walk) up the mountain from morning till lunch.

It            (be) easy, but it            (be) exciting!

Last week we            (go) sightseeing to York.

We            (go) to an old castle.

They say there are ghosts in the castle, but we didn't            (see) any.

My friend had            (be) there before, and she hadn't            (see) them either.

In August the weather            (be) fine.

I            (go) sunbathing and            (swim) a lot!

I            (take) many fantastic photos.

I'll send you some.

I am looking forward to seeing you again,

Mandy
