2- MATERIALS

A SOCCER BALL, A PING PONG BALL AND A TENNIS BALL

SOME BOOKS TO MAKE A RAMP

METER

PROCEDURE

1. Get a soccer ball, a ping pong ball and a tennis ball.
2. Place the balls at the same starting point on top of a ramp-
3. Which ball reaches the bottom of the ramp first?
4. Which ball rolls farther?
5. Let the balls roll down the ramp at the same time.
6. Measure how far the balls roll and compare them.
