Hi Linda,
Thanks for your postcard from Tenerife. I'm happy you enjoyed your holiday. The aquarium sounds interesting. I want to visit an aquarium and hug a whale, too!
At the moment I'm at a summer camp in Scotland. It's fantastic. We do lots of different sports in the mornings. We do sailing, kite surfing and snorkelling. In the afternoons we go on excursions. Yesterday I visited Edinburgh. There was a festival with music and films. I listened to some Scottish music and danced, too. I watched a new Bollywood film - it was funny! On Monday we visited Loch Ness. The famous monster 'Nessie' wasn't there. There was a dolphin and some seagulls. Summer camp finishes on Friday. I'm going home on the new high-speed train. Next week we go on our family summer holiday. This year it's Mallorca. I want to see Rafa Nadal!
