

A visit to the doctor.

by Carringbush Education

I am sick today. The appointment is today at 2:30pm.

I must take one tablet, three times a day with food until they are all finished.

She examines me. I call the clinic and make an appointment.

I wait in the waiting room. I go home and rest.

I go to reception and show my Medicare and concession cards.

The doctor calls my name. I hope I feel better soon.

Then, we talk about my health. I arrive at the clinic.

I take the prescription to the pharmacy.

The doctor gives me a prescription and a medical certificate.

The pharmacist gives me the medication and explains how to take it.
