STRUCTURE

Prepositions

Past perfect simple = *I had worked*

Past perfect continuous = *I had been working*

We use the past perfect simple with action verbs to emphasise the completion of an event. We use the past perfect continuous to show that an event or action in the past was still continuing.

<i>I'd waited</i> an hour for the bus.	Past perfect simple emphasises the completion of the activity (the waiting is over). (Vurgu eylemin tamamlanmasında)
<i>I'd been waiting</i> an hour for the bus.	Past perfect continuous focuses on the duration of the activity. (Vurgu eylemin süresinde)
