Message from: Emily **Subject: Hello!**

Hello,
My name is Emily and I'm 11 years old. I live in a flat in London with my mum, my dad and my two brothers. I've got a cat called Cookie, too. Where do you live? Who do you live with?
My best friend is Jack. He's 11 years old, too. He's medium height and he's got short, brown hair. He's smart. Jack is really good at singing and he loves dancing. I like him because he's kind and he's very funny.
Jack and I have lots of fun together. Here are two photos. In the first photo, we're playing computer games. In the second photo, we're singing karaoke with some friends.
Send me an email if you want an e-pal in England. Tell me about your family and your friends. Who's your best friend? What do you like doing together? Please send me some photos, too.
Write soon! 😊
Emily
