

# The Beatles - Yellow Submarine

⇒ Listen to the song, and fill in the missing words!

In the \_\_\_\_\_ where I was born  
Lived a \_\_\_\_\_ who sailed to \_\_\_\_\_  
And he told us of his \_\_\_\_\_  
In the land of submarines  
So we sailed on to the \_\_\_\_\_  
Till we found a sea of green  
And we lived beneath the \_\_\_\_\_  
In our yellow submarine

We all live in a \_\_\_\_\_ submarine  
Yellow submarine, yellow submarine (2x)

And our \_\_\_\_\_ are all aboard  
Many more of them live next \_\_\_\_\_  
And the band begins to \_\_\_\_\_

We all live in a \_\_\_\_\_ submarine  
Yellow submarine, yellow submarine (2x)

Full speed ahead, Mr. Boatswain, full \_\_\_\_\_ ahead  
Full speed ahead it is, Sir  
Cut the cable, drop the cable  
Aye-aye, Sir, aye-aye  
Captain, captain

As we live a life of ease  
Every one of us has all we \_\_\_\_\_  
Sky of \_\_\_\_\_ and sea of \_\_\_\_\_  
In our yellow submarine

We all live in a yellow submarine  
A yellow submarine, yellow submarine  
We all live in a yellow submarine  
A yellow submarine, yellow submarine  
(2x)

# THE BEATLES

**John Lennon, Paul McCartney, George Harrison and Ringo Starr - together they were the Beatles, the greatest band the world has ever seen.**

On July 6<sup>th</sup> 1957, fifteen-year-old Paul McCartney first met John Lennon in Liverpool. John Lennon was on stage with his band "The Quarry Men". Later in the evening Paul played the piano with the band. They thought he was so good that they asked him to join them.

In August 1960, the Beatles went to Germany, where they played at Hamburg's Star Club until December 1<sup>st</sup>. The band was made of John Lennon, Paul McCartney, George Harrison and two other musicians on bass and drums.

In the summer of 1962, a new drummer Ringo Starr, joined John, Paul and George. In October 11<sup>th</sup> 1962, the Beatles made their first appearance in the UK charts with *Love Me Do*. In early 1963, their second single *Please, Please, Me* became their first number one.

In 1967 the Beatles released their eight album, *Sergeant Pepper's Lonely Hearts Club Band*. Many people think this is the greatest of all their records.

On January 30<sup>th</sup> 1969, the Beatles played their last concert. It was a show on the roof of their record company in London. A large group of fans watched from the street below. Just over a year later, the band broke up.

On December 8<sup>th</sup> 1980, when John Lennon was outside his home in New York with his wife Yoko Ono, a crazy fan called Mark Chapman shot him. John's death was a great shock all over the world – people now knew that the Beatles would never play together again.

# THE BEATLES

Quickly go over the text and find the right information:

1) Paul McCartney was born in \_\_\_\_\_

2) Which single became their first number one hit?  
\_\_\_\_\_
