

# ¿Cuál te tocó?

Cuenta los puntitos en cada ficha y arrastra la ficha al número que le toca.

|   |    |                                                                                      |                                                                                       |
|---|----|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| 1 | 2  |    |    |
| 3 | 4  |   |   |
| 5 | 6  |  |  |
| 7 | 8  |  |  |
| 9 | 10 |  |  |
