

# HEATHENS

By Twenty One Pilots

## 1. Put the words in the box in the correct blank

Know – friends – slow - sudden

[Chorus]

All my \_\_\_\_\_ are heathens, take it \_\_\_\_\_  
Wait for them to ask you who you \_\_\_\_\_  
Please don't make any \_\_\_\_\_ moves  
You don't know the half of the abuse

## 2. Choose the correct option

Welcome to the room of people  
Who have **rooms/room's** of people that they **loved/love** one day  
Stocked away  
Just because we check the guns at the door  
**Don't/Doesn't** mean our brains will change from hand grenades  
You're lovin' on the psychopath sitting **next to/near** you  
You're lovin' on the **killers/murderer** sitting next to you  
You'll think, "How'd I get here, **sit/sitting** next to you?"  
But after all **I've/They've** said, please don't forget

[Chorus]

## 3. Listen and complete with ONE word

We don't deal with \_\_\_\_\_ very well  
They say newcomers have a certain \_\_\_\_\_  
You have trust issues, not to mention  
They say they \_\_\_\_\_ smell your intentions  
You're lovin' on the freakshow sitting next to you  
You'll have some \_\_\_\_\_ people sitting next to you  
You'll think "How did I get here, sitting next to you?"  
But after all I've said, please \_\_\_\_\_  
(Watch it, watch it)

[Chorus]

## 4. Choose the correct option

Why'd you come? You **knew/know** you should **has stayed/have stayed** (It's blasphemy)  
I **try/tried** to warn you just to stay away (**Wouldn't listen/wouldn't listened** to me)  
And now they're outside ready to bust (To bust) (And guess what?)  
It **looked/looks** like you **might be/may be** one of us
