

HERE WITH ME – Marshmello ft. Chvrches

Can I _____ you something just between you and me?
When I hear your _____, I know I'm _____ free
Every single word is _____ as it can be
And I need you here with me
When you _____ me up, I know that I'll _____ fall
I can _____ to you by saying nothing at all
Every single time, I find it _____ to breathe
'Cause I need you here with me

Every day
You're _____ the words that I want you to say
There's a pain in my _____ and it won't go away
Now I know I'm _____ in deep
'Cause I need you here with me

Every day
You're _____ the words that I want you to say
There's a pain in my _____ and it won't go away
Now I know I'm _____ in deep
'Cause I need you here with me

I _____ I see your face in every _____ that I go
I try to _____ it, but I know that it's gonna _____
Every single _____, I find it harder to _____
'Cause I need you here with me

Everyday
You're _____ the words that I want you to say
There's a pain in my _____ and it won't go away
Now I know I'm _____ in deep
'Cause I need you here with me

Every day
You're _____ the words that I want you to say
There's a pain in my _____ and it won't go away
Now I know I'm _____ in deep
'Cause I need you here with me

Can I tell you something just _____ you and me?
When I hear your _____, I know I'm _____ free
Every single word is _____ as it can be
'Cause I need you here with me
