I am an actress. I work in the evenings at the theatre, so I  
to get up early. But I ... learn the text by heart,  
because I ... make mistakes when we act on the  
stage. Very often I ... work on Saturdays, so I  
... go away at the weekend. I ... be slim,  
so I ... eat fast food. I love my job because I ...  
be many different people!

I am the boss of a big IT company. I ... get up very  
early in the morning because I ... come late to work.  
I ... be polite with all the people who work for me. I also  
... wear a suit and a tie to work every day, because  
I am the boss. I ... work at the weekend, so I ...  
go to the zoo with my family.

I am a cook. I work for a school. I ... come to  
work very early because I cook breakfast for children. I ...  
wash my hands before I cook. I ... cook with dirty hands.

I                                    have to wash the dishes, because we have a  
dishwasher. I                                    wear a special uniform, I ...  
wear what I like to work. I am lucky, because I                    ...  
eat at work when I have a break!
